2 EXT. MOMENTS LATER 2

MEDIUM

The man opens the box to see:

INSERT

... a kitten with big, pretty eyes looking back at him. He reaches in and removes the kitty.

CUT TO:

3 EXT. MOMENTS LATER 3

The man pets the kitty and then moments later places the kitty back into the box and takes her into the building.

DISSOLVE TO:

4 INT. LABORATORY 4

The man walks to a desk and places the box on it removing the kitty.

CUT TO:

5 INT. MOMENTS LATER 5

WIDE

Laboratory with chalkboard with a quantum physics equation written on it. Around are usual clusters of papers, a clock on the wall, a desk. There is a small cat on the desk. Two men in lab coats are in the room.

CUT TO:

6 MOMENTS LATER

WIDE

DR. SCHRODINGER leaves the laboratory in a huff. MR SMITH pets the kitty mournfully and slowly places it in the box with the vial of radioactive material.

FADE TO:

11 INT. 11

MR. SMITH sees a animated box opening with a stick figure of the kitty dead. MR. SMITH sees an animated figure of the box opening and the kitty jumps out alive!

CUT TO:

12 INT. 12

A clock's hands spinning.

CUT TO:

13 INT. MOMENTS LATER 13

DR. SCHRODINGER returns to the laboratory and he and MR. SMITH open the mysterious box.

CUT TO:

CLOSE UP - POV OF THE CAT

DR. SCHRODINGER and MR. SMITH faces as the box opens. A golden glow lights their faces. DR. SCHRODINGER's expression is one of AMAZEMENT and MR. SMITH is of WONDER. The two men exchange glances and look back to the box as we...
