Neil Fennel (Director and Editor) earned his degree in Musical Theatre from the University of Northern Colorado, and has been performing, directing and self-producing in many locations including Austin and Minneapolis. Since moving to New York a decade ago, Neil has been extremely active as a film and theatre director.

A self-taught filmmaker, Neil currently works for Jack Morton Worldwide as their resident video editor. Over the past five years, Neil has had the opportunity to create hundreds of pieces of corporate and creative content for Jack Morton. Neil's web series, pilots, and short films can be found at: www.neil-fennell.com

Guy Olivieri (Writer / Executive Producer) is an award winning writer, actor, and producer as well as a founding member of both Giant Cookie Films, and Off Off Hollywood Productions (its parent company). The sitcom pilot he wrote, produced and starred in for OOH, FreakMe, won Best Television Pilot at the Hoboken Film Festival as well as several other major awards from festivals including The Mountain Film Festival, The Honolulu Film Awards, and Best Shorts. Guy's pilot script, SUCKERS, a vampire comedy, recently won Best Short Script at the SoCal Film Festival. www.GuyOlivieri.com

Frequency was created during the 48 Hour Film Project in New York, 2016.
