I Changed Myself into

"THE WORLD'S MOST PERFECTLY DEVELOPED MAN"

Charles Atlas

with this quantity body build, I was determined to build a physique far above the average. For me the only method required and within reach was the *Dynamic Tension* method. But this is not a matter of mere words. In the biggest physical contest ever held, I was crowned the *World's Most Perfectly Developed Man*.

The *Dynamic Tension* method works for you. On the following pages you will see *PROOF* of the inspiration shown in the above in making you one of the *Millions* — and what to do for *YOURSELF*!
