

When one birthmark makes them believe you are the chosen one, it is harder to prove it

A documentary film crew follows İskender, who was proclaimed as the chosen one according to a prophecy by Nostradamus. Is he really the chosen one? Let's assume he is, was he chosen for the world records he's trying to break? Or is he special in some other way?

FILM

THE ÜBERMENSCH PROPHECY

OR THE INEVITABLE DISAVOWAL OF GREATER İSKENDER

WRITTEN - DIRECTED BY ©EMRE ALUÇ

I produced this feature film with many real people and animals from the streets of old Istanbul. The main aim of the movie is to observe a person's inner conflict through the perspective of a small town in the modern society where success is the only standard for happiness.
