ABOUT Resonance (Anunad)

TAG LINE

They connect spiritually and unknowingly conceive sound of silence on both the ends which creates ANUNAD (Resonance)

LOG LINE

*Any person who becomes intimate with the other only when same or likewise feeling conceived on both the sides .When he feels that the incident occurred with his loving family members which he ignored. Immediately within fraction of second he perceive a sound of silence similar and likewise as with his loving one. Sound at both the ends resonate as an **"Anunad" (resonance)**.*

SYNOPSIS

The people become intimate with the other only when they connect spiritually and unknowingly conceive sound of silence on both the ends . The Social People witness any incidence and ignore their civic duties towards society . So Being a part of society, be attentive against any incident. Ignorance will make you feel guilty towards your social duties.
