### ACCREDITATION AND APPROVALS

Orange Coast College is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges. The college and its instructional programs are also approved by the Board of Governors of the California Community Colleges and by the State Department of Education for training veterans. In addition, certain programs are accredited or approved by other recognized accrediting agencies (see college catalog or website for specific agencies).

### DEGREES AND CERTIFICATES

By authorization of the Board of Governors of the California Community Colleges, Orange Coast College confers the Associate in Arts degree, the Associate in Science degree, the Associate in Arts degree for transfer or the Associate in Science degree for transfer on students who complete a minimum of sixty (60) units in required areas with an overall GPA of at least 2.0. In addition, the college awards a Certificate of Achievement to students who successfully complete the required courses under a certificate program.

### DATABASE CONVERSION

In November 2007, the Coast Community College District converted to a new database. As a result, the following changes took place to all academic history (courses from 1989 forward):

- An 'A' was added to all course numbers (i.e. ENGL 100 changed to ENGL A100).
- Incompletes (I) were expanded to include the grade to which the incomplete would revert to within one year if the student did not make up the coursework with the instructor (e.g., ID = incomplete which will revert to a 'D' in one year if the student does not make up missing coursework).
- Prior to 1989, the Associate in Arts degree was posted as a date in the "Date of Orange Coast College Graduation" box at top right.

### ACADEMIC HONORS

**President's List-** Student completed a semester of at least 12 units in courses awarding letter grades and in which a GPA of 4.0 was earned.

**Dean's List-** Student completed a semester of at least 12 units in courses awarding letter grades and in which a GPA of 3.50 to 3.99 was earned.

**Honors List-** Student completed a semester of 6.0 to 11.99 units in courses awarding letter grades and in which a GPA of 3.75 to 4.0 was earned.

### COURSE REPETITION POLICY

Prior to Spring 2008, skill building courses designated with AB, AC, or AD, which could be repeated for credit, were notated as follows:

- AB = could be taken twice for credit
- AC = could be taken three times for credit
- AD = could be taken four times for credit

As of Spring 2008, skill building courses, which may be repeated for credit, are notated with an 'I' to the far right of the course.

### OTHER NOTATIONS

- APL = Assessment of Prior Learning
- CE = Credit by Examination
- FAA = Title 14 CFR Part 147 Approved Program
- @ = Academic Renewal (Prior to 1989)
- R = Repeat (Prior to 1989)

### GRADES & GRADE POINTS

Orange Coast College is on a semester system. The following grades carry a point value and are used in determining the Grade Point Average (GPA):

A = Excellent	4 grade points per unit
B = Good	3 grade points per unit
C = Satisfactory	2 grade points per unit
D = Passing - less than satisfactory	1 grade point per unit
F = Failing	0 grade points per unit

The grade point average is calculated by dividing the total number of grade points by the total number of units attempted for the grades of A, B, C, D and F.

The following grades are not part of the GPA calculation:

P = Pass- Satisfactory (For courses beginning Spring 2008. For courses taken prior to Spring 2008, this is notated as 'CR' Credit)	Unit credit granted
NP = No Pass- less than satisfactory or failing (For courses beginning Spring 2008. For courses taken prior to Spring 2008, this is notated as 'NC' No Credit)	No units granted
W = Withdrawal	No units granted
MW = Military Withdrawal	No units granted
I, IB, IC, ID, IF, INP = Incomplete	No units granted
IP = In progress*	No units granted
RD = Report Delayed	No units granted

\*In-Progress (IP) designates those courses that are completed beyond one semester. The student will receive a grade for the course in the semester in which the course is completed.

An 'E' to the far right of a course indicates that the grade has been excluded from the GPA calculation. The reason for the exclusion may be notated as follows:

ACDRNL	Academic renewal
HS	High school credit only
UR	Unauthorized repeat

Students may repeat a credit course in which they have received a substandard grade (D, F, or NP). When such repetition has taken place: (a) the prior grade will be disregarded in the GPA calculation and noted with an 'E' to the far right, and (b) the subsequent enrollment grade will be included in the GPA calculation and noted with an 'I' to the far right.
