

Press Release: The Carter Sanction

The Carter Sanction is the debut short action movie by British Indie Filmmaker Eric Garson.

The Carter Sanction tells the story of bodyguard Daniel Carter (Rudolph Benade) who falls for the heir to the throne of Wallonia, Princess Talia (Silvia Calatayud Gil). Setup for her assassination and kidnapping, Carter is arrested and interrogated. But he escapes to pursue justice and redemption.

The film stars newcomer actor Rudolph Benade, upcoming leading Spanish actress Silvia Calatayud Gil and thespian Tony Richardson.

Along with an accomplished supporting cast, including American scriptwriter, actress and producer Eilis Cahill (Mouthfall, Mad & Stake Land), Laura Wilson (Coven of Evil, Monster & No Glory), in his first speaking role Steve Overton, Columbian actress and TV presenter Laura Arbeláez, theatre actress Ashleigh Drew, Sajid Shah, Laurence Ford, Peter Taverner, Charlotte Pitson & Samantha Fields.

The film was made by a fledgling group of filmmakers based in Reading, England, UK during late 2017 and early 2018. The film was completed after a lengthy post-production in late 2018. The movie includes gunfights, footchases and long takes. As a consequence, for aspiring newcomer writer, director and co-producer Eric Garson, the film posed numerous production and logistic difficulties. Including his lead actor Rudolph Benade, breaking his ankle playing rugby midway through production, subsequently delaying principle photography.

Thankfully these challenges were overcome with a talented and dedicated crew including upcoming filmmakers Gabi Bilin (Producer), Rick Hanley and David Gregory (Cinematographers), Sophie Marchant and Krzysztof Rodzik (Sound Operators), Katie Linard (Colourist), Ivor McGurk (Composer), Becky Taylor (Make-Up), Rashpal Gurm (Poster Designer), Davor Pahljina (Trailer Editor) Dave New and Thomas Biddle (BTS Camera Operators) and Leon Silavant (stills.) Hopefully, their teamwork manifesting in an exciting action thriller.

In addition, Eric has two more short films called "Deep Under" starring Eilis Cahill and "Diva" featuring Laura Arbeláez. Both in the latter stages of post-production, coming out in early 2019.
