In-depth Analysis

Our overall critic’s rating is not an average of the sub scores below.

“Behindwoods”

Ghibran’s background score uplifts the film to a whole new level. The antagonist’s theme is eerie, serving the purpose. He is one of the strongest reasons for Ratsasan to have come out as an intriguing crime thriller.

“MOVIE CROW”

Ghibran comes up with a terrific background score that keeps you petrified. He could actually be the star of Ratsasan. He even makes a cameo in a scene that showcases the intelligence of Ramkumar.

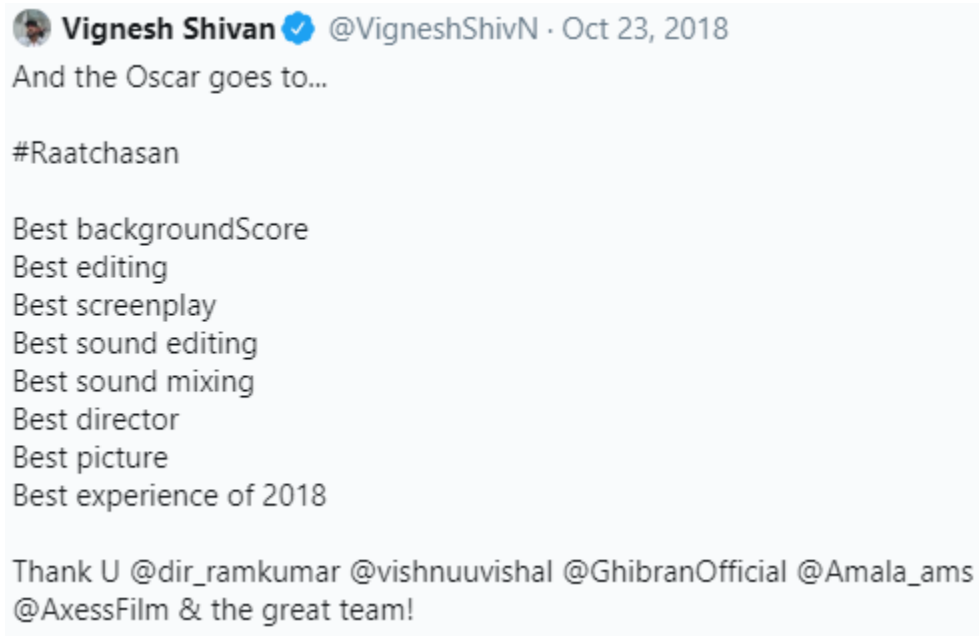

“First post”

However, the film is technically well made with effective background score by Ghibran and stylish editing by San Lokesh, that elevate the thriller. The sound design lends an air of suspense to the narrative, especially in scenes where the hero is hunting for the serial killer. Music is in sync with the editing, which creates a tension in the atmosphere all the time.

“The news minute”

The visuals in *Ratsasan* at no point irk you and this is an interesting change in a psycho-thriller film. Music director Ghibran has done a great job in infusing the thrill into his music, keeping us hooked to the moment.

"If you turn a blind eye to the coincidences and the obvious red herrings, the bulk of Raatchasan works. Ghibran's terrific score is the aural equivalent of bad airplane food — it makes your tummy queasy... "

#Ratsasan - @GhibranOfficial's background score is in a different league, as usual. This unsung hero rocks again! 🙌🙌

Rajasekar 🔵 @sekartweets · Oct 6, 2018

Happy for @GhibranOfficial, not everyday you see a composer who gets celebrated for his background score. Shows how audiences are no longer appreciating composers just for songs #Ratsasan.

@GhibranOfficial Career best... BGM of this decade... He is the Real Ratsasan

Kannan കോന @Kannan5689 · Oct 6, 2018

Mind blowing theatre experience after a long time 🙌. #Ghibran's scintillating bgm ensures that movie is not for weak hearts 😍. Pre-interval heroism top class 🎉. #Ramkumar deserves applause for neatly executed psycho thriller - #Raatchasan - K18.17 must watch 🎉. Climax&Villain 🔥

vivek @VvkTweets · Oct 7, 2018

Music by @GhibranOfficial is a great asset to #Ratsasan. though scope for the routine music album is not here, his Bgm reverberates for a long time even after leaving the theatre. And that haunting piano score for the Physcho killer is sure to send shivers.

Insplag @Ccinfilmin · Oct 26, 2018

. @GhibranOfficial is the finest background score composer of his generation in Kollywood. BGM is not about making the environment noisy, its about making the viewers feel the emotions of a scene

#Ratsasan Background Scores have dread written all over it.
