## Synopsis :

An urban couple - the wife gets ready to meet friends and her husband prepares to leave on an official trip, on the evening of their marriage anniversary.

A message comes on the woman's mobile and reveals that she has an extra-marital virtual affair, and that she is actually going to meet her unknown lover for the first time, and not her friends.

The husband offers to celebrate with a quick drink. Wife agrees. The husband mixes the drinks but pours a crystal sort of substance into a glass, before handing over one to his wife.

Post a fade out, the wife reaches a predestined place and waits for her unknown lover.
