

# Justin Rodriguez

Video Editor &  
Multi-Talented  
Film/Production Expert

## CAREER OVERVIEW

As an Emmy-nominated multifaceted artist who specializes in video editing and film production, I have a deep understanding of creating high-end content for multiple platforms. Along with 10 years of professional production & broadcast experience, I have an enormous passion for creatively writing stories & seeing them come to life. Having recently received filmmaking awards & being accepted to multiple film festivals nationwide, I am confident I can take your company's video & content strategy to the next level!
