To Whom It May Concern

I am writing to confirm that “The Lost Scot” (director Julien Cornwall, producer Eliot Gelberg-Wilson) is a London Film School production.

The project has been approved as a graduation film to be made by full-time students on the MA in Filmmaking.

It is fully covered by the School’s insurance policy with Performance Film & Media, in terms of equipment, public liability and employer’s liability.

We would be very grateful for any assistance that is given to this project, which is a crucial part of the students’ learning experience.

Yours Faithfully
