ANIMATORS Martin Kukul, Adéla Kovářová, Aneta Šitařová, Noemi Valentiny, Kryštof Ulbert, Lukáš Gomola, Mikkel Odehnalů

A nearly common shop with a nearly common corpulent saleswoman, Karla, stands at the end of the world. Out of time, beyond genres and universes. Whoever needs to buy anything, can simply come there. Stranger and stranger customers come to Karla and she always sells whatever each creature needs. But does a lone vendor ever fulfil her greatest wish? This sensitive animated short film about the insensitive human world uses digital cartoon animation with a distinctly creative artistic concept.
