HOMMADE ANIMATION presents

2

00:00:05,440 --> 00:00:11,880

One of the versions of a Konkani folktale from South India

3

00:00:18,840 --> 00:00:20,560

One, Two, Three.

4

00:00:23,080 --> 00:00:25,920

On a big tree there were two houses.

5

00:00:26,560 --> 00:00:31,720

In one house lived 'Kakkumamu', Uncle Crow, and
in the other lived 'Gubbanchakka', Sister Sparrow.

6

00:00:32,440 --> 00:00:35,080

Uncle Crow's house was made of cow dung.

7

00:00:36,040 --> 00:00:38,560

Sister Sparrow's house was made of resin.

8

00:00:41,000 --> 00:00:43,600

One night there was a heavy rain and storm.

9

00:00:48,600 --> 00:00:51,440

Uncle Crow's cow dung house gets swept away.

10

00:00:54,040 --> 00:00:57,000

Sister Sparrow's resin house withstands the storm.

11

00:00:57,840 --> 00:01:03,960

Drenched and shivering in the rain, Uncle Crow reaches Sister Sparrow's house.

12

00:01:05,480 --> 00:01:09,000

"Sister Sparrow, Sister Sparrow, open the door."

13

00:01:12,800 --> 00:01:16,760

"I am bathing my babies; I will come in a moment."

14

00:01:26,520 --> 00:01:29,040

After some time, Uncle Crow calls again.

15

00:01:30,040 --> 00:01:34,360

"Sister Sparrow, Sister Sparrow, open the door."

16

00:01:37,320 --> 00:01:41,720

"Uncle Crow, wait, I am feeding my babies."

17

00:01:44,080 --> 00:01:47,400

After some more time, Uncle Crow heavily knocks on the door.

18

00:01:48,600 --> 00:01:52,400

"Sister Sparrow, Sister Sparrow, open the door."

19

00:01:54,800 --> 00:02:02,080

"Shhh!...Uncle Crow, I am putting the babies to sleep; wait, I will come in a moment.

20

00:02:09,440 --> 00:02:13,080

After putting the babies to sleep, Sister Sparrow opens the door.

21

00:02:15,640 --> 00:02:19,120

Seeing the shivering Uncle Crow, Sister Sparrow feels pity.

22

00:02:19,720 --> 00:02:27,880

"Sister Sparrow, my house got swept away in the rain.

Can I sleep in your house tonight?"

23

00:02:30,200 --> 00:02:31,200

"Of course."

24

00:02:33,960 --> 00:02:35,920

"Can you sleep near the window?"

25

00:02:37,800 --> 00:02:41,800

"No No No, it will be cold near the window."

26

00:02:42,960 --> 00:02:44,720

"Will you sleep in the kitchen?"

27

00:02:45,440 --> 00:02:48,800

"No No No, it will be hot in there."

28

00:02:49,560 --> 00:02:51,880

"Can you sleep beside the cradle?"

29

00:02:52,600 --> 00:02:55,280

"What if the cradle falls on me?!"

30

00:02:56,400 --> 00:03:00,520

Sister Sparrow starts to think where else could she make Uncle Crow sleep.

31

00:03:01,400 --> 00:03:05,720

"I will sleep in the cradle and pat your babies to sleep."

32

00:03:09,880 --> 00:03:14,880

Before Sister Sparrow could answer, Uncle Crow jumps into the cradle and sleeps.

33

00:03:29,680 --> 00:03:32,960

Midnight in the darkness, there is a "gulum" sound.

34

00:03:36,400 --> 00:03:39,160

"Uncle Crow, what is that sound?"

35

00:03:40,280 --> 00:03:45,200

"I had a peanut given by an old lady, Sister Sparrow."

36

00:03:46,080 --> 00:03:47,520

"Oh, is it?"

37

00:03:53,040 --> 00:03:55,720

Soon Sister Sparrow falls asleep.

38

00:03:57,240 --> 00:04:01,080

Uncle Crow gobbles rest of the two babies too.

39

00:04:02,760 --> 00:04:04,040

Sun rises.

40

00:04:05,000 --> 00:04:07,600

Sister Sparrow finds no babies in the cradle.

41

00:04:10,320 --> 00:04:14,640

Uncle Crow is fast asleep snoring. His stomach has grown bigger.

42

00:04:19,120 --> 00:04:22,320

“Uncle Crow, where are my babies?”

43

00:04:23,800 --> 00:04:28,240

“They woke up early in the morning and went out to play.”

44

00:04:30,200 --> 00:04:34,400

Listening to the lie, Sister Sparrow decides to teach Uncle Crow a lesson.

45

00:04:35,760 --> 00:04:40,640

“Uncle Crow, I am preparing Pancake for the breakfast. You may eat and go.”

46

00:04:43,640 --> 00:04:51,440

Sister Sparrow makes pancake using one hand,
using the other keeps the iron spatula in the fire.

47

00:04:52,160 --> 00:04:54,160

Uncle Crow comes into the kitchen.

48

00:04:54,680 --> 00:04:57,360

"It is smelling awesome here."

49

00:04:59,120 --> 00:05:02,640

"Sit, I will serve you a really hot one."

50

00:05:10,640 --> 00:05:14,560

Sister Sparrow keeps the red-hot iron spatula on Uncle Crow's stomach...

51

00:05:14,720 --> 00:05:16,160

...Chuiii...

52

00:05:21,360 --> 00:05:23,480

Uncle Crow's stomach burns out,

53

00:05:24,440 --> 00:05:27,000

Sister Sparrow's babies jump out.

54

00:05:27,640 --> 00:05:30,720
