

JOSEP CALLE

BRIEF BIOGRAPHY

Mollet del Vallès (Spain), 1975.

Freelance animator, specialized in stop motion, and modeller. He combines his personal projects with collaborations with tv companies and film productions, winning multiple awards in Spanish and international film festivals.

Also a documentalist specialized in audio-visual documentation. After 13 years working as a documentalist at the National Film Archive of Catalonia, he moved to other areas in the cinema industry, specialising in the physical treatment of film materials.

He is also an experienced and skilled projectionist, working at the best cinemas in Barcelona.
