

HIJACK 139 Synopsis

Long synopsis:

There once was a man
feeling sad and in pain,
so to get some attention,
he hijacks a plane!

But seizing an aircraft
can be quite the chore,
so he guzzles a beer.
And another. Then a few more.

What happened next
might seem unreal to you,
but make no mistake;
This story's quite true.

Short synopsis:

An intoxicated man spontaneously hijacks a plane and in the process starts emptying the aircraft's entire supply of beer. Needless to say, nothing goes his way.
