# FIRE AND SAND

*Fire and Sand* examines community trauma, mobilization, and the living mythology of Pele, the Hawaiian goddess of the volcano during the 2018 Kilauea eruption on the island of Hawai`i. Local kumus (teachers), residents, and helpers are featured in the documentary film that also highlights the use of mobile Sandplay in disaster relief and recovery.

Produced and Directed by  
Dr. Lorraine R. Freedle  
and Sarah Echsner
