

## WINDFALL OF GRACE

## *A Heart-invoking Odyssey on the Spiritual Pied Piper Neem Karoli Baba*

The film explores the enigma that Neem Karoli Baba (Maharajji) was and continues to be, as it journeys across places saturated in his aura, meeting people who inexorably emanate his fragrance. Through candid narratives of an eclectic range of devotees and a potpourri of western and Indian kirtan, the film hopes to offer a peak into the potency of his love; the eccentricities of his being; the perplexity of his alchemy; and perhaps a glimpse of how the sublime blows out of the mundane.
