

This Documentary is the story of SAM & MATTIE, two BADASS PVNX w/ DOWN SYNDROME who MADE & ★ STARRED IN★ THEIR OWN ZOMBIE MOVIE, CALLED:

# SPRING BREAK ZOMBIE MASSACRE

→ ALREADY ON ITS WAY TO CULT CLASSIC STATUS.

BUT FIRST, HERE'S THE backstory:

## SAM & MATTIE: THE EARLY YEARS

SAM AND MATTIE MET AS KIDS IN THE SPECIAL OLYMPICS AND QUICKLY BECAME AN INSEPARABLE CREATIVE DUO.

IN HIGH SCHOOL, THEY HATCHED A PLAN TO MAKE THEIR FIRST FILM: A "TEEN ZOMBIE MOVIE" STARRING THEMSELVES. THE BOYS DREW THEIR OWN STORYBOARDS, THEN WORKED WITH THEIR FAMILY TO LAUNCH A KICKSTARTER, WHICH WENT VIRAL IMMEDIATELY.

"Judging by the storyboards Suchmann and Zufelt have released, their zombie movie is going to be pretty wild."

"Aspiring filmmakers get a kickstart on their teen zombie movie"

AP

"Two best friends from Rhode Island are living their dream of making an epic zombie movie and becoming celebrities."

THEIR FUNDRAISING CAMPAIGN ATTRACTED A RIDICULOUS AMOUNT OF ATTENTION, AND EVEN BROUGHT SOME BIG NAMES ONTO THE PROJECT: INCLUDING OSCAR WINNING DIRECTOR PETER FARRELY (WHO IS EXECUTIVE PRODUCER OF THIS DOCUMENTARY) AND DJ PAULY D, WHO APPEARS IN THE FILM'S EPIC FINALE.

"Providence-native DJ Pauly D of Jersey Shore arrived to film a cameo for the last fight scene of the movie"

"the friends have already caught the attention of the Farrelly brothers"

THE PRODUCTION PROCESS WAS A LIFE-CHANGING ADVENTURE FOR THE BOYS, AND IS FULLY CAPTURED IN OUR DOCUMENTARY. IN THE END, (AND AGAINST ALL ODDS) THE FILM CAME OUT EXACTLY AS THEY HAD ENVISIONED IT. STARRING THEMSELVES AS SUPER HERO VERSIONS OF SAM & MATTIE.  
(TRUST US, IT'S EPIC)

# SPRING BREAK ZOMBIE MASSACRE: A FACE-MELTING AMERICAN TOUR

-Steve Hartman, CBS Sunday Morning

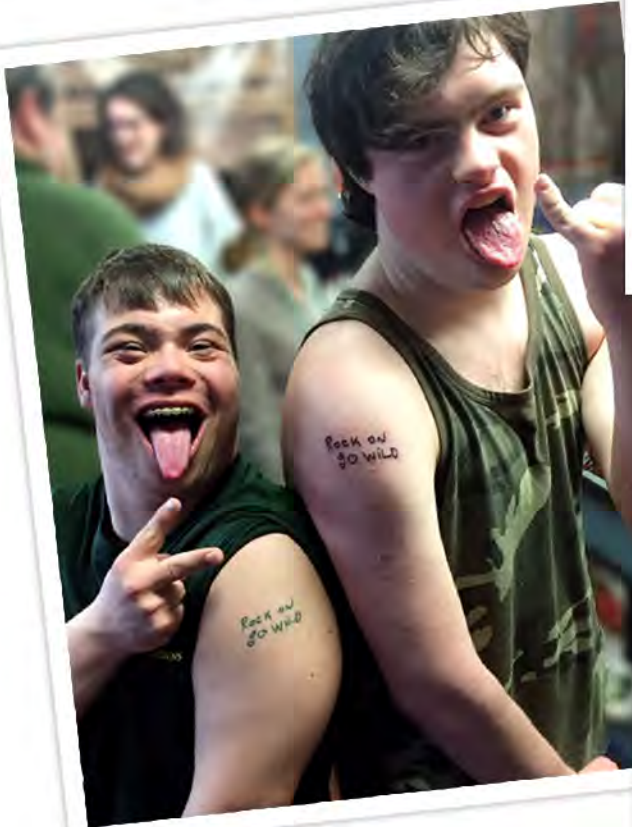

Los Angeles Times

The Washington Post

THE FILM WAS A MASSIVE HIT WITH AUDIENCES, STEVE HARTMAN CALLED IT "REALLY GROSS IN PARTS, TERRIBLY OFFENSIVE IN OTHERS, AND COMPLETELY LUDICROUS THROUGHOUT," BEFORE CONCLUDING THAT IT WAS DESTINED TO BECOME A CULT CLASSIC!

THE NATIONWIDE TOUR TURNED SAM & MATTIE INTO ROCKSTARS IN THE DISABILITY COMMUNITY, AND CULT FIGURES IN THE HORROR SCENE (THEY ARE STILL OCCASIONALLY STOPPED FOR AUTOGRAPHS, WHICH THEY LOVE)

THE BOYS FREQUENTLY RECIEVE INQUIRIES ABOUT SCREENINGS AND SPEAKING OPPORTUNITIES, BUT HAVE AGREED TO HOLD OFF ON RELEASING SPRING BREAK ZOMBIE MASSACRE MORE WIDELY UNTIL THE DOCUMENTARY WAS COMPLETE.

# SAM & MATTIE MAKE A ZOMBIE MOVIE: THE DOCUMENTARY

NOW (FINALLY) THE WHOLE, WILD STORY OF SAM & MATTIE'S ADVENTURE CAN BE EXPERIENCED THROUGH THE DOCUMENTARY YOU ARE ABOUT TO SEE. THE FILM WEAVES TOGETHER SAM & MATTIE'S REAL LIFE ADVENTURES WITH THE ADVENTURES OF THEIR ALTER-EGOS IN SPRING BREAK ZOMBIE MASSACRE WHICH IS INCLUDED, IN ITS ENTIRETY, ALONGSIDE OCCASIONAL DOCUMENTARY META-INTERLUDES FOR CONTEXT.

THE DOCUMENTARY ALSO INCLUDES INTERVIEWS WITH THEIR FAMILIES AND NEW LIFELONG FRIENDS, TACKLES LARGER QUESTIONS ABOUT SAM & MATTIE'S LIVES AND MOTIVATIONS, FEELS PROUDLY UNCONVENTIONAL, TOTALLY HONEST, A LITTLE PUNK, AND REFRESHINGLY UNFOCUSED ON ANYONE'S DISABILITIES.

IT ALSO ENDS WITH A GUT PUNCH THAT MAKES MOST PEOPLE CRY.
