

## FILM INFORMATION

<b>Title</b>	Julie
<b>Total Running Time</b>	29min, 25s
<b>Release Date</b>	2015
<b>Genre</b>	Comedy / Drama
<b>Studio</b>	Liquid Stencil Project
<b>About</b>	A light-hearted story about an unconventional family and how they withstand the fault-finding eyes of our gradually progressing society, repaying pretense with pretense.
<b>Description</b>	Julie is an independent short film by a new breed of actors and filmmakers who hope to get a shot in the film industry. It is written and directed by Clanch Dayve Belleza, and comes with an all-volunteer cast and crew.
<b>Logline</b>	A gay man will learn the hard way that something seemingly trivial could lead to something almost catastrophic.
<b>Synopsis</b>	JULIAN CAPOY — Julie as he is fondly called, has been working in construction for twenty-two years, hiding his real sexuality throughout his profession. His seemingly alternatively perfect life will change in a day, all because of a busted bathroom doorknob.
