

HEAVEN IN YOUR MIND DIALOGUE LIST - ENGLISH

1

00:00:11,960 --> 00:00:13,600

You know what they say

2

00:00:13,600 --> 00:00:16,040

We are made of our memories.

3

00:00:16,040 --> 00:00:18,520

But, what if you're all alone in your memories?

4

00:00:18,520 --> 00:00:21,080

Don't worry!

Here, you're not alone!

5

00:00:21,080 --> 00:00:24,960

Come and join thousands of people
who control their dreams.

6

00:00:24,960 --> 00:00:28,280

Here, you'll live the
Heaven in your Mind.

7

00:00:28,280 --> 00:00:30,800

Come on! Go insi.... go insi...

8

00:00:52,800 --> 00:00:56,720

Hi. I saw an ad downstairs.

9

00:00:56,720 --> 00:00:58,800

Oh! So, that dreadful ad worked!

10

00:00:58,800 --> 00:01:02,640

Between you and me, my boss here
is a bit old-school.

11

00:01:02,640 --> 00:01:04,040

But here you are!

12

00:01:05,360 --> 00:01:07,200

So... How does it work?

13

00:01:07,200 --> 00:01:09,280

Here, you can create a memory
from scratch,

14

00:01:09,280 --> 00:01:12,840
or you can relive an old
unsolved memory.

15

00:01:12,840 --> 00:01:15,160
What do you need?

16

00:01:15,160 --> 00:01:18,120
A romantic love story?
Or a painful experience?

17

00:01:18,640 --> 00:01:21,680
Perhaps you can confront your father
about a childhood issue.

18

00:01:21,680 --> 00:01:25,440
Or you can re-write a painful
childhood memory.

19

00:01:26,240 --> 00:01:27,560
These are a bit complicated.

20

00:01:28,120 --> 00:01:30,640
We suggest simpler things
for beginners.

21

00:01:30,920 --> 00:01:33,680
Like a sweet romantic love story.

22

00:01:35,080 --> 00:01:38,200
You can create a memory with
one of the online users.

23

00:01:38,720 --> 00:01:40,760
Displaying online users
in the system.

24

00:01:41,880 --> 00:01:43,400
Interested in anyone?

25

00:01:44,240 --> 00:01:45,480
Maybe the one in the middle?

26

00:01:46,120 --> 00:01:47,960

Sure, if the other person approves.

27

00:01:47,960 --> 00:01:50,240

Please turn to the screen for retina identification and photo.

28

00:01:56,640 --> 00:01:59,120

User identified.

Waiting for approval.

29

00:02:07,320 --> 00:02:08,520

Match approved.

30

00:02:09,160 --> 00:02:09,880

Approved.

31

00:02:10,480 --> 00:02:11,480

Second room on the right.

32

00:02:12,160 --> 00:02:13,160

Thanks.

33

00:04:25,400 --> 00:04:26,400

Excuse me.

34

00:04:26,800 --> 00:04:27,800

Sorry.
