

SUGAR BABY

A kid starts an underground candy ring in his strict school.
However, he must go against the school's vice principal
in order to keep the business alive.

SYNOPSIS

Scott, a nerdy loner, wants to break out of his strict and mundane life. He meets Freddy – a kid entrepreneur who sells Sugar Baby Chew, popular but outlawed chewing gum in their private school. Scott joins Freddy in his gum selling enterprise. However, Vice Principal Karen McKee gets Principal Pete to crash the market by legalizing gum. With the help of the head editor from the school newspaper, the boys launch their new venture - an underground candy selling business. At the peak of Scott and Freddy's success, the school hall monitors bust their operation and report them to McKee. McKee threatens to suspend Scott and expel Freddy if they don't tell her who the leader of the business is. Scott gives in to save his friend from expulsion but in turn, ruins the business and allows McKee to further her grip on the school. When all hope seems lost, Scott must make a risky decision: take down Mrs. McKee to not only save the business but save the school from McKee's rule. With the help of his friends, Scott rallies the school together to take a stand against McKee - and finally become the person he wants to be.
