

Logan just wants to be left alone but some people are born magnets for trouble...

The Bar

**An online series set in
Bali, Indonesia**

Coming soon...

Overview

Ex British Army Military Police Detective and private security veteran, Logan McDonnell retired to Bali after fifteen years protecting Russian oligarchs and ministers, and several Indonesian generals, followed by a very successful spell as a venture capitalist.

Opening a small, discreet bar, he anticipated a henceforth relaxed life on the Island of the Gods.

Unfortunately, his 'wee bar' attracts a collection of misfits, quirky individuals, troubled hearts and others trying to escape their past – or future – leading to a series of complex dramas which eventually spill outside The Bar...
