Time Stamp	Character	Dialogue
00:43,653 --> 00:46,797	Tania	Hello viewers and gentleman, welcome back to our show!
00:46,804 --> 00:51,535	Tania	In today's episode we'll be discussing the exciting new app that's been causing ripples everywhere: iFatwa!
00:51,536 --> 00:59,061	Tania	That's right, Swipe right for wajib-ul-qatl (death penalty) and swipe left for clemency. But a lot of religious scholars claim that this app goes against our religious tradition.
00:59,061 --> 01:07,779	Tania	For this debate, we have with us today Mufti Haseeb and mister Muhammad Rafay. We'll start with you, Mufti Haseeb: Assalamulaikum. Tell us: what exactly is your issue with this app?
01:07,779 --> 01:12,973	Tania	Are you trying to argue that everyone does not have the right to defend their religion?
01:12,995 --> 01:25,000	Haseeb	Yes, in the name of Allah the most beneficent the most merciful. Walaikumassalam. Look, it's very simple: when someone falls sick, they consult a doctor, instead of trusting an app, yes?
01:25,001 --> 01:30,005	Haseeb	Just like that, when you need a religious ruling, you should consult a religious scholar...instead of turning to an app ---
01:30,005 --> 01:39,777	Rafay	Oh, Tania, these molvis, all they do is beat their gums in their mosques. I'm telling you, they're just flustered that iFatwa has made them irrelevant!
01:39,777 --> 01:50,987	Haseeb	Look, without talking to someone or knowing their intent how can you pass a verdict on their life, that too through a phone screen?!

01:50,988 --> 02:02,150	Rafay	Listen, listen, a case has to have 10,000 votes before anything even happens! And you can swipe left for clemency too! Have you even downloaded the app, mufti sahab? Have you? Have you?!
02:02,233 --> 02:16,273	Haseeb	[exclaiming] No I have not and I will not! I am deeply opposed to what you are saying and now you will listen to me! Tell me this: what is this Virtue Board business?
02:16,303 → 02:29,893	Haseeb	The more you kill the more points you get? And how on earth can you declare someone wajib-ul-qatl just by a mere swipe?! You people are, God forbid, mocking our religion, you don't understand..
02:29,893 --> 02:38,705	Tania	Oh my, no no, that's not the case, that's not the case at all! Thank you so much for tuning in! We take great pride in our youth and inshAllah they will protect us against any threats to our state and religion.
