

say something.

what can I say?

IRAJ, it's better for both of us.

not for me. it's better for you.

just forget it.

I can't.

pretend it was a dream.

it wasn't.

you don't want to forget it.

yes. I don't.

LEILA! didn't you say SHAPOUR went hunting?!

he left so that he won't see me.

give me a few days.

and then?

I don't know now.

our argument was my fault.

LEILA you asked for it!

I made a mistake.

that's it?!

what do you want to hear?

just tell the truth.

RANA also left me for the same reason.

I wasn't good in bed, right?

what?!

why didn't you tell me right away?

you are wrong.

LEILA I will fix this.

IRAJ I'm married!

you were married last night as well.

IRAJ! I don't want my life to fall apart.

let's finish it here.

we'll talk more tonight.

IRAJ!

RANA was right.
