Re: Zubair Pradhan

To Whom it May Concern:

Please be advised that Zubair Pradhan (DOB: 1993-05-29) successfully completed the full-time 3D Animation & Visual Effects (3D) diploma program of study at Vancouver Film School. The program commenced on August 26, 2019 and ended on August 21, 2020.

At VFS, the 3D diploma program is an intense accelerated program, of 12 months in duration, but is equivalent to a 2-year diploma program, also known as an Associate's Degree (AD). In the 3D program, students accumulate over 60 course credits (over 1100 course hours), which exceeds the 60 course credit hours normally required for a 2-year diploma or AD.

Vancouver Film School is Registered and Designated with the Private Training Institutions Branch (Registration and Designation #00027) and the Ministry of Advanced Education (School Code APHO).
