

# DESERT AIR

an ANDiLAND film

**A dark journey down the rabbit hole of a turbulent female adolescence.**

**FILM INFORMATION:**

Runtime: 01:48

Country of Production: United States

**DIRECTOR'S STATEMENT:**

My work invites viewers through the looking glass of reality down the rabbit hole of my personal psyche, a dreamworld otherwise known as ANDiLAND. I explore the idea of sex and violence through the lens of popular culture utilizing the language of entertainment & simulacra. Exploiting the gender grotesque I examine the superficial construct of reality and play with the voluptuous danger lurking beneath the sticky sweet surface.

**DIRECTOR'S BIO:**

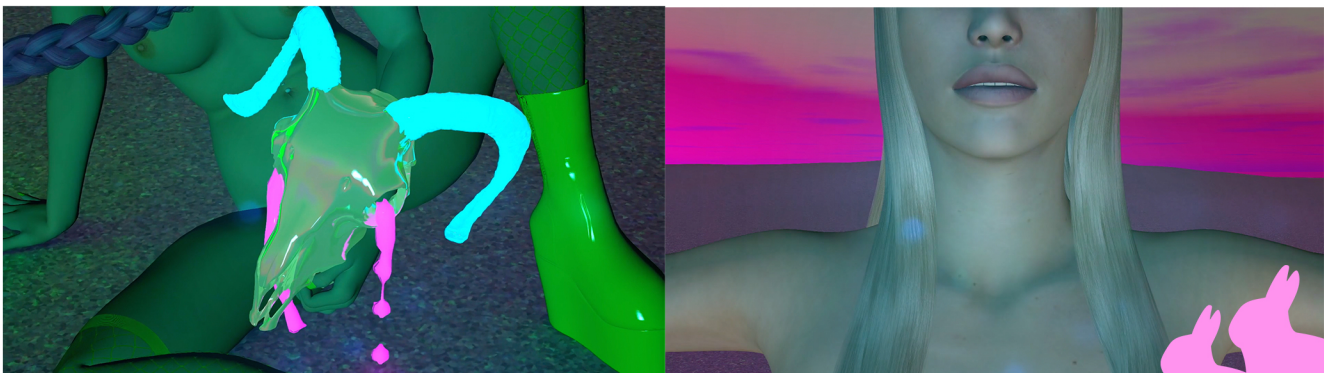

ANDiLAND is a multi-media artist working in the realm of sex & violence. Raised in the plastic wonderland of Southern California, her work has been shown all around the country including Slamdance Film Festival.

**FILM CREDITS:**

Directed / written / produced / animated by ANDiLAND

Narrated by SALLi naturalreaders

Music by AngelicVibes
