# WELCOME TO CRANWELL COUNTY

---

Affectionately nicknamed "The Cran," this county has long been a dumping ground for the unwanted and the lost. Prior to the events of the film, Isaac (Joe Chrest) has tried and failed to form a small cult, and in the dramatic aftermath, Hannah (Marlee Carpenter) escapes.

Roy (Matthew Alan Porter) is a 28 year old failed comedian who hasn't moved on from a seven year old breakup. After a particularly bad night, Roy finally reconnects with Hannah, his aforementioned ex. Hannah insists that Roy join her on a return trip to Cranwell, under the logic that some time together will give him the closure he has been looking for.

Upon arrival, however, Hannah immediately launches into a Bonnie-and-Clyde inspired revenge crusade against the remains of the cult, abducting Isaac's "daughter" Gabrielle (Sydney Vollmer) and antagonizing her brother Jonah. (Jake Harkins) As Roy finds himself an accomplice to increasingly strange and violent acts, He finds himself sinking deeper in Hannah's world, even as he tries desperately to climb back out of it.

These are the stakes, Physical and Prersonal, that drive THE CRAN.
