*"TRUNK SHOW is a lot of fun and very cool. There's a punk rock edge to it that I particularly liked. The actors are great and the camera has a really nice feel: unsettling just enough without making you feel self-conscious of it. The music is perfect, and the ending is a blast!"*

-Danny Strong, Emmy Award-Winning Writer of *The Butler*, *Empire*, and *Dopesick*

*"It ROCKS: from the STUNNING opening shot, to the beautiful music, to the actors who are all terrific (I love their moral dubiousness)! Spencer Muhlstock (Director of Photography) does a fantastic job. And that ending...just when we let our guard down...the whole thing is terrific!"*

-Eric Stoltz, Director and Golden Globe-Nominated Actor of *Mask*, *Pulp Fiction*, and *Grey's Anatomy*

*"OMG: Comedy Horror! I bought in. TRUNK SHOW is hilarious and very well executed. The actors are fantastic: kept it real and I believed every single minute of it."*

-Jane Bartheleme, Producer of *Fun With Dick and Jane*, *Along Came Polly*, and *13 Reasons Why*

*"I loved TRUNK SHOW: loved the shooting style, the writing, the twist(s), and the kids...all three are incredible actors! It's a whole lot of fun and expertly done!"*

-Don Scardino, Emmy Award-Winning Director Producer of *30 Rock* and *Kimmy Schmidt*
