Synopsis

An intimate portrait of South African artist Jane Digby. "Jane Digby" explores a day in the life of an artist, and how her past informs her technique and subject matter.

Passionate about the painting process, oil painter, Jane Digby, paints quickly and spontaneously in alla prima with a limited but rich colour palette, resulting in expressive and evocative paintings of significance. Jane's artworks have depth of craftsmanship and emotion that keeps the viewer wanting more, questioning the character or scene behind the complex, layers of paint.

Shot on iPhone X with Filmic Pro and a DJI Mini 2.
Shot on Location in Ballito, KZN, South Africa.
