À : men.c.haoui@hotmail.fr <men.c.haoui@hotmail.fr>

Dear Mr Menchaoui,

Thank you for your application and for the interest you have shown in working for INTERPOL.

Please note that the position you applied for is offered **exclusively on a secondment basis** and can only be filled by a candidate, who is working/has worked as a law enforcement official or a civil servant in a government agency in an INTERPOL member country that has the possibility to second their staff members to the Organization.

If selected, your national administration will be responsible for paying your salary/remuneration, medical insurance, welfare and retirement benefits, costs related to your arrival and departure from INTERPOL as well as any other expenditure (depending on your personal circumstances). You are encouraged to read more about the conditions of secondment at INTERPOL here:

<http://www.interpol.int/Recruitment/Other-recruitment-pages/Employment-conditions-for-seconded-officials>.

It is therefore requested that you obtain written confirmation from your home administration/agency/service/government stating that it supports your application and agrees to the conditions of secondment. **This confirmation should reach us through the National Central Bureau (NCB) of your home country.**

We kindly ask you to ensure that we receive the written confirmation (or at least an indication from your side that you have initiated the process) in the coming 15 calendar days otherwise, we will consider your application as non-eligible and will not be in a position to process it further.

If you are currently not employed by a security or government agency with the possibility to second you to INTERPOL, or you have received confirmation from the National Central Bureau of your home country that your government is not willing to support your application or to adhere to the conditions of secondment, then you are not eligible for this post. **In such case, we kindly ask you to please use the dedicated feature in our online recruitment system to withdraw your application for this post.**

Yours sincerely,

Talent Acquisition & Mobility Branch
