

Brooke Fleming

16 YEARS OLD, SCHOLARSHIP AWARDEE IN TRIPLE SCIENCE - EXPERT IN SPACE - EARTH - CLIMATE CHANGE

Brooke Fleming, based in the UK, is a young space explorer and expert in the field of nature. **Awarded an academic scholarship** in triple science (Chemistry, Biology, Physics). Brooke is a self confessed adventurer and stargazer, lover of Earth and supporter of reducing the impact of Climate Change. Brooke is a rare talent, an expert and a brilliant presenter. Brooke is being quoted as a new young **Professor Brian Cox**. Brooke made her own TV show "Explorer" that is available to stream online now.

"I'm fascinated by the big questions, the universe and our place within it"... Brooke Fleming

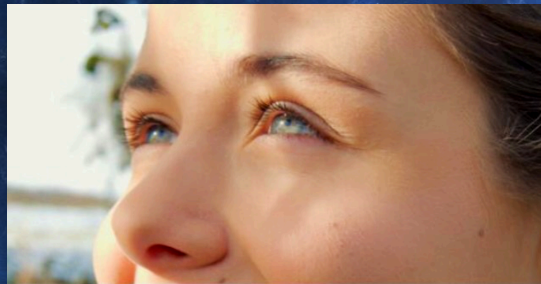

The fun space show is free to book now

Explorer Tour 2022

If you would like Brooke to attend your venue (For example, libraries, nature centres, schools, summer clubs, family events, museums etc) for a 1 hour fun, free interactive space show please, contact Cinalight Studios to secure your place.

The event is free and we will supply you with a promotional poster, details and will bring all props and materials required. All you need to do is provide a space. Brooke will be covering the following areas in 2022.

Lincolnshire
Cambridgeshire
Oxfordshire
Berkshire
Surrey
London
Kent
