Update

Allies practise air interoperability with Finland and Sweden

NATO Allies and partners Finland and Sweden, have had a week of intensive cooperation in the skies over Estonia in the just-concluded exercise Ramstein Alloy. The regular NATO exercise focused on real-world scenarios faced by NATO's Air Policing personnel deployed in the Baltic region.

Netherlands and UK take up NATO Air Policing over Bulgaria and Romania

The Netherlands and the United Kingdom took over NATO's enhanced air policing over Black Sea Allies Bulgaria and Romania this week. UK Typhoons are replacing Italian Eurofighters in Romania, and US F-16 fighter jets continue to reinforce the Alliance's force posture in the country. *(Story courtesy of Allied Air Command)*
