Slave Movie 2022

Logline

Sakker and his wife Latifa made a movie, but it enraged society. As a result, Sakker struggled with whether to continue living his life or travel back in time to appease society.

Synopsis

Sakker and his wife, Latifa, face a wave of anger from the community because of a movie that goes against their expectations. Instead of confronting the ideological society, he decides to go back in time by using the marbles, here he enters an endless loop of trying to please the society
