About

Bjørn Olav Edvardsen is an Artist, Songwriter, Actor and Voiceactor living in Nord – Odal in Innlandet, Norway. He was raised on Tromøy outside Arendal.

He had his breakthrough as an artist when he became a finalist in Idol Norway 2005. Since then, he has made a name for himself on many stages and TV productions, including The Voice. He currently runs his own label, and as a former Idol Finalist and MGP-songwriter he has had collabs with songwriters and artists like Wouter Hardy (Arcade, Tout l'univers) Ben Adams & Christian Ingebrigtsen (A1) Sissel Kyrkjebø, Henrik Tala (Spirit In The Sky) and Kjetil Mørland (A Monster Like Me) to mention a few.

He has sold over 80.000 physical albums through Idol, and the Final show had over 1.5 million viewers, which is a Norwegian record to date. Over the last three years, he has explored and developed his songwriting through co-writing and participating on songwriting camps. It has led to great results, and there are now big projects planned for 2023.
