

OLDTOWN

A SHORT FILM BY DAVID VERMANDER

OLDTOWN

Oldtown is a real retirement holiday resort. A place where life is enjoyed. The only drawback is that they have to say goodbye to a fellow resident more than once. An anti-aging pill will change this forever, but it will still take 3 to 4 months to get there. The residents trade their depraved lives for a healthy lifestyle to meet that deadline. But what happens next?

OLDTOWN

FILMOGRAPHY

Cartouche is a production company like probably any other production company
Cartouche creates original content
Cartouche can be funny
Cartouche has a bar. A good one
Cartouche is probably where you want to be when doing a production in Belgium

Tv Series: NEST - VRT - 2024
Short film: Oldtown - 2023
Tv Series: The Kidnapping of Phil Frisco (Glad Ijs) - DPG Media - 2021
Short films: Lockdown - 2018
Short film: Cracks - 2017

Director: David Vermander
Being both an executive producer and a director, David is working on a variety of projects within the companies Cartouche & Who killed Joe?. Started mainly in advertisement and shifted along the way to a combination of advertisement film, photography and fiction. With Oldtown he is going back to his roots as a film director.
