

LIQUID SOLID

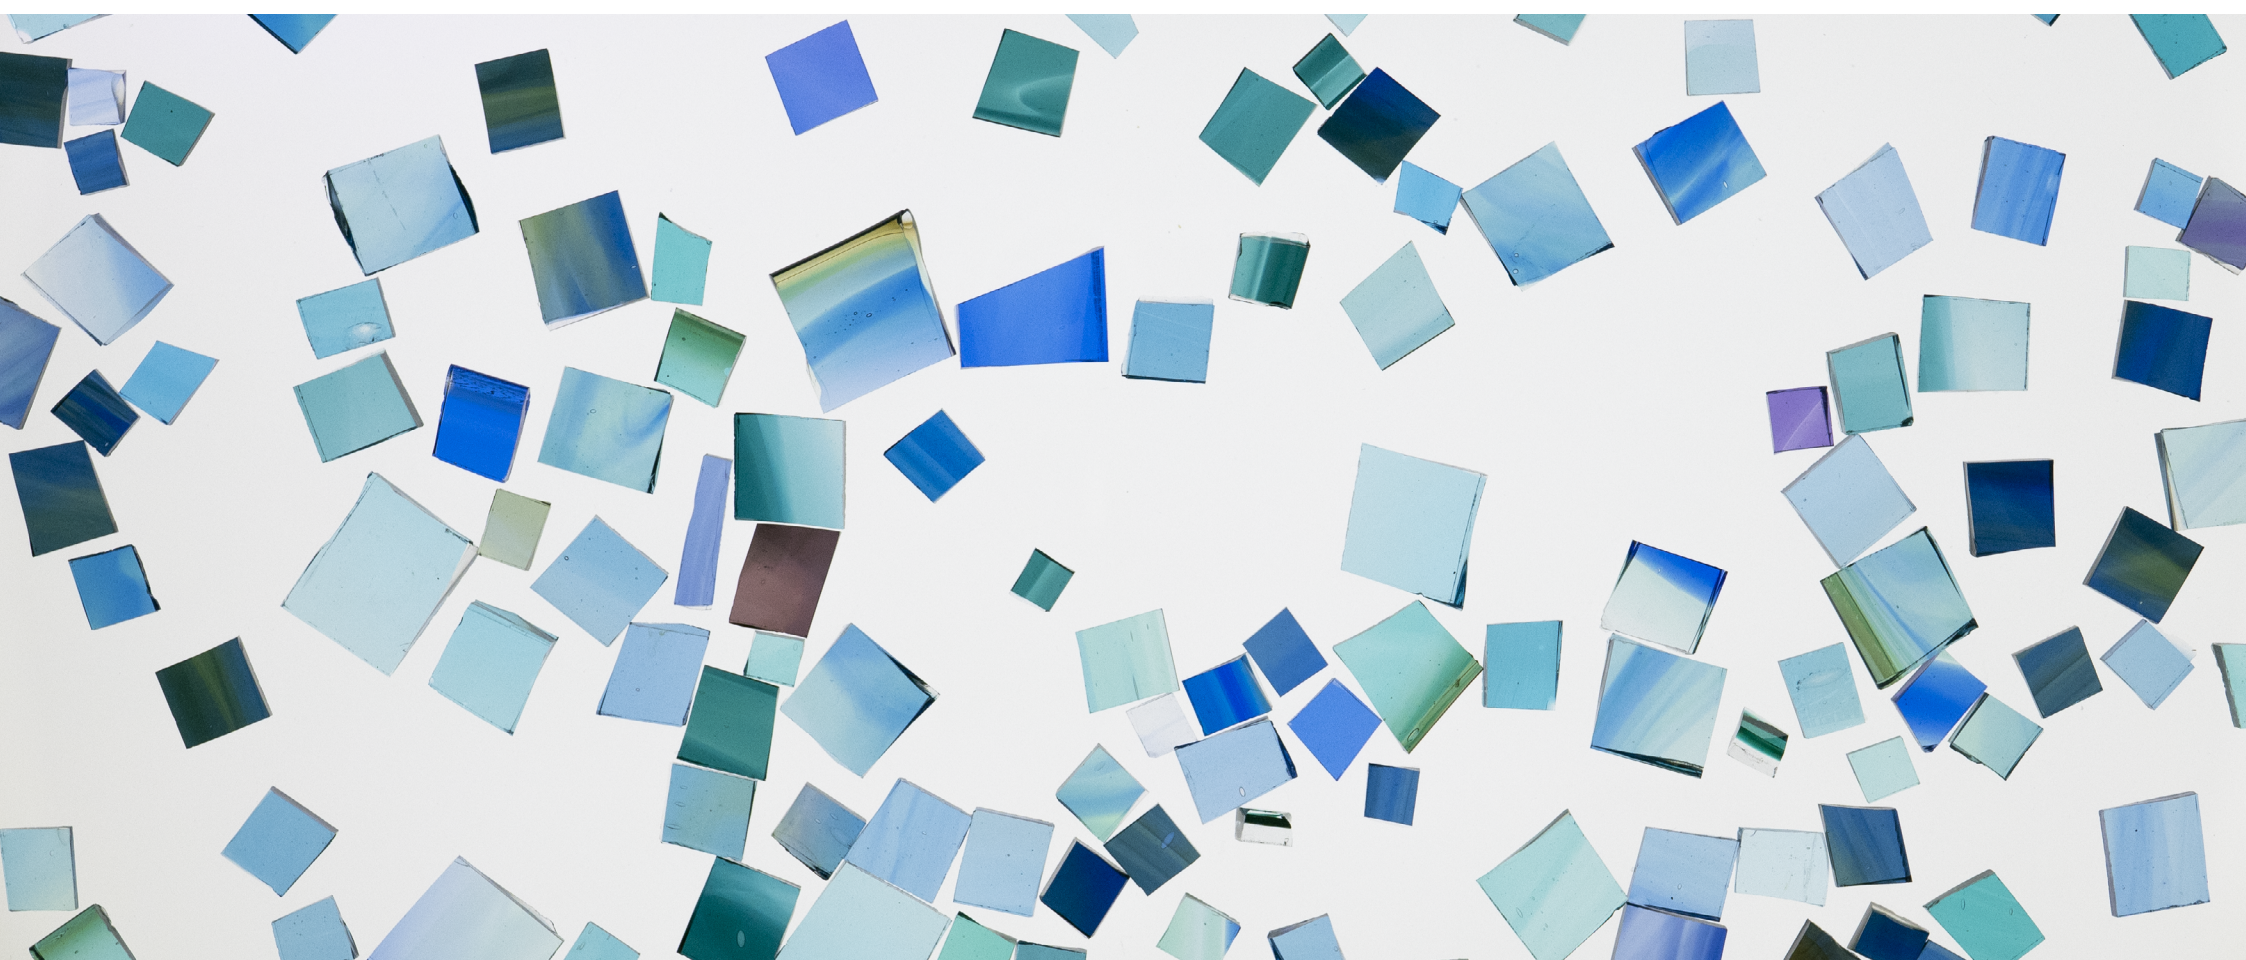

Synopsis

Waves of small coloured glass pieces weave across screen. Shapes appear, merge, and disintegrate. There are patterns in the disorder. From the chaos a form is created.

Short Synopsis

Waves of small coloured glass pieces weave across screen.

Director's Biography

Amanda Aiken is a storyboard artist and animator based in Scotland. She was a storyboard artist on the Scottish BAFTA-winning children's series *The Brilliant World of Tom Gates*.

Glasswork Artist's Biography

Emma Butler-Cole Aiken is a stained glass artist based in Scotland. She created a window for Glasgow Cathedral in 2018.

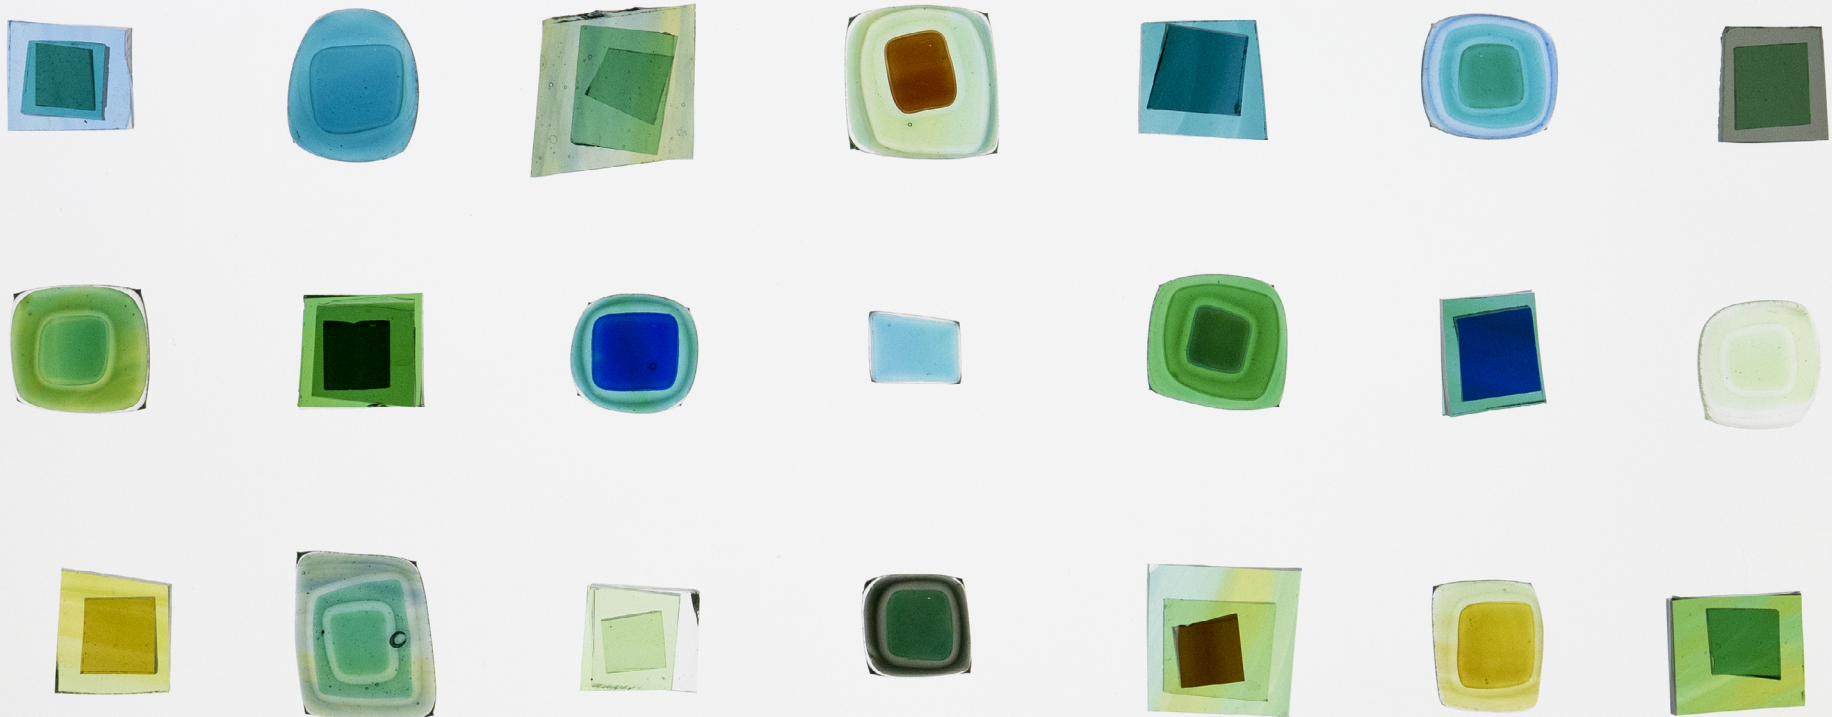

Technical Details

Type Stop Motion Animation

Duration 1 minute 9 seconds

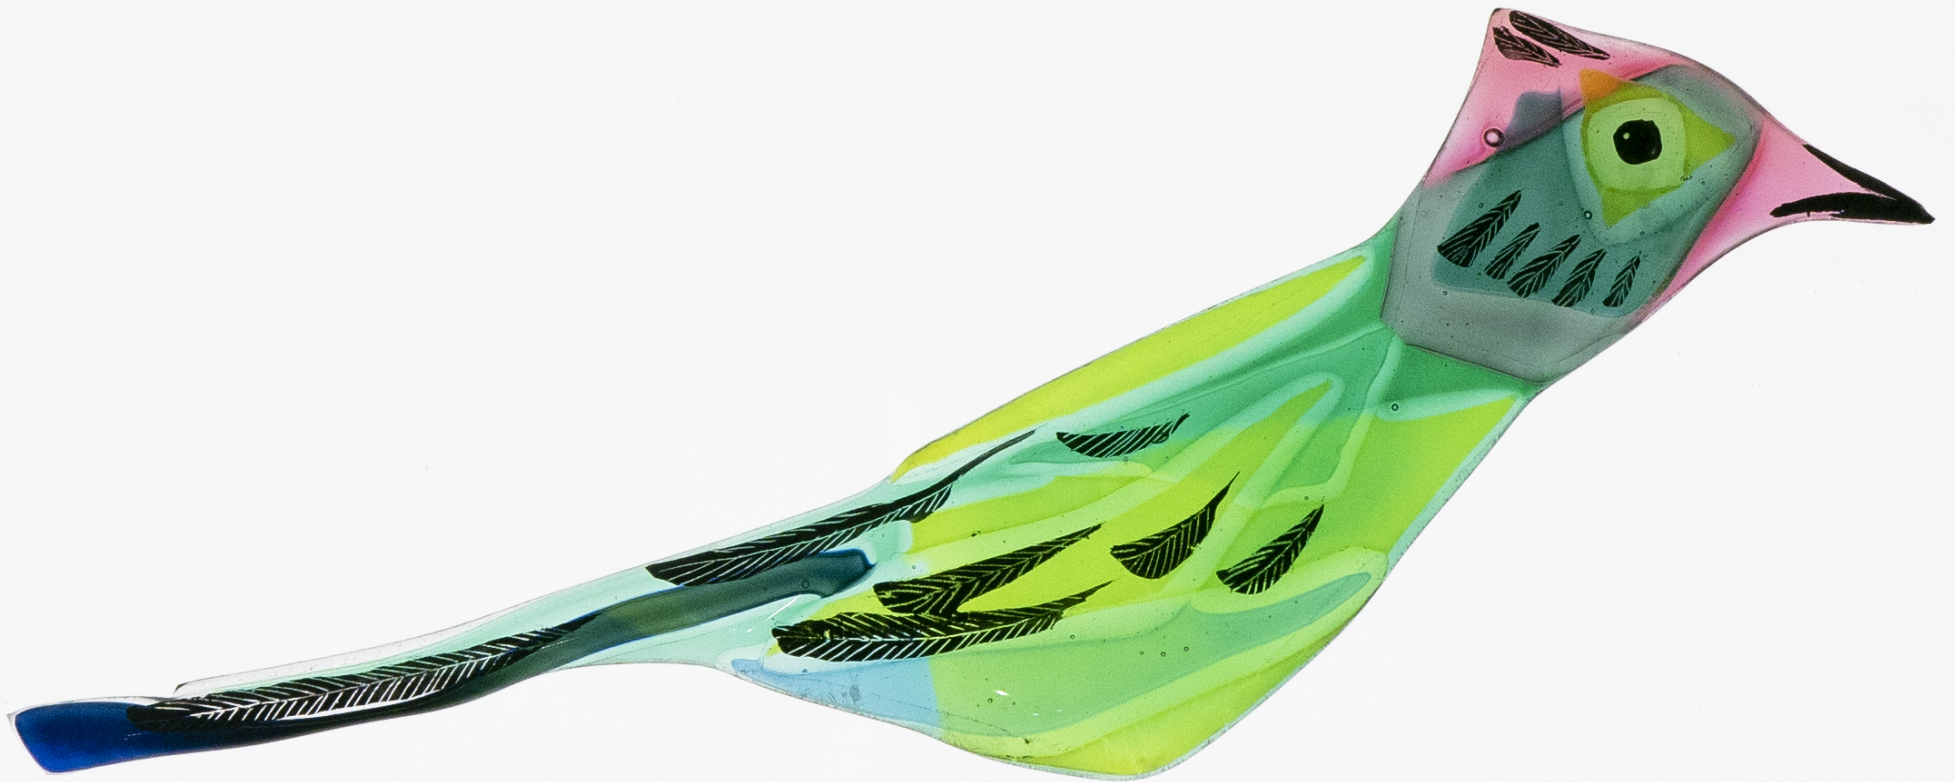

Aspect Ratio 16:9

Year 2020

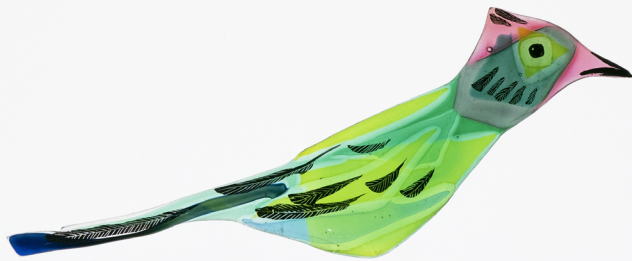

Director's Statement

I grew up watching my mum, a stained glass artist, work. 'Liquid Solid' is a bit of an experiment – we've combined our practices to animate glass through stop motion, fusing, and painting.
