## *Valerio Pampaglìni*

*“My name is Valerio Pampaglìni and i was born in Umbria, Todi. Since i was a child, movies and cinema in general have always attracted me. After High School, i spent the next three years studying cinema at “La Sapienza” University and two years at Roma Film Academy in the directing and screenwriting branch. After some practice at the academy, “Irene” is my first professional and official short film that I wrote and directed.”*
