ABOUT THE FRANCHISE

DYNASTY the movie, an Urban American Sci-fi Action film is the first of its kind created by Lioness Telaine. The feature opus focuses on the treacherous journey of the “Chosen Ones,” as they embark to recapture their souls by defeating an immortal in the Matrix.

Together an unlikely band of heroes from different tribes travel from their dimension into the Matrix to look for a mysterious figure known as Seven, a little boy with an ancient power who can help them defeat the immortal and free their souls.

The storyline is explored through thought-provoking and powerful messages using metaphysics, spirituality, and culture to influence the viewer. Dynasty will transform the narrative of black storytelling through science fiction using impressive visuals and influential messages.

ABOUT THE DIRECTOR LIONESSE TELAINE

In the contrast world of science fiction, Lioness TeLaine dared to stretch the limits of her imagination.

With a strong focus on quality, she brought to life a story rich in emotion, creating unforgettable tales of bravery, sacrifice, and the endless potential of humanity. She also executive produced, wrote, and starred in her directorial debut! Also starring renowned American rapper, **Lil Flip**, through this film she continues to show how she can merge urban culture with the sci-fi genre.

DYNASTY IS AN EXTRAORDINARY JOURNEY INTO THE UNKNOWN.

STARRING RENOWNED AMERICAN RAPER LIL FLIP

Certified platinum American rapper Lil Flip shows his star talent as the villain in this thriller. In addition to increasing production value, he also brings the evil out of his character adding an urban tone and highlighting the dark side of life. He delivers impeccably and for good measure collaborated with the studio to produce a soundtrack for the film!

KEY CHARACTERS

AJNA- LEADER OF THE CHOSEN ONES

is the descendant of the warrior tribe Laroto, who lost her mother by a fatal shot to the head in the great war fighting for the ruling of Equinox. She was raised by her mother's sister Veyola and is the leader of the 3 chosen ones.

DIVINE- LEADER OF DARK CELESTIALS

is a Dark Celestial immortal who is ruthless and evil. He takes the soul of Nove, a Light Celestial leader, and Ajna's mother, and begins the war between the dark and the light. Divine wants all the power and travels to the Matrix to kill the Chosen Ones.

TIKCI- WISE ONE OF THE CHOSEN ONES

is a descendant of the ancient tribe Shakmu, a tribe that has ancient wisdom. He uses some of his wisdom to help aid and protect the 3, specifically using ancient herbs, plants, and crystals.

SUFFER- PROTECTOR OF THE CHOSEN ONES

is a descendant of the Danko tribe, a tribe who are great protectors. She is stoic yet determined to help protect her and the others as they travel from one dimension to the next.

THANK YOU

A special thank you for considering this film for distribution. We look forward to continuing to influence the narrative of black storytelling and pushing the culture to expand in creative ways.
