

BEHIND THE SCENES
OF
Super Fun Party Girl

Directed by:
Holly M. Kaplan

Cinematography by:
Jon Bewley

SFPG DAY 1
December 16th, 2023

this music video would be impossible w/o Holly + Jon.
two equally crazy people who dedicated their heart + soul
in making this ambitious dream possible - and it was
a freaking blast doing it together. Ya'll... we braved
freezing temperatures and somehow made this work between
3 full time schedules, teen challenges, health scares,
you name it. I'm forever grateful, biggest
shoutout to the kindest, most talented, hardest
working people I know ♡
