The Daughters Through The Ages

Father Figures

This story is about the relationships of the women. Therefore, the 4 fathers that go in and out of the Bronson's lives will never be seen by the audience. Framing and blocking will achieve this goal.

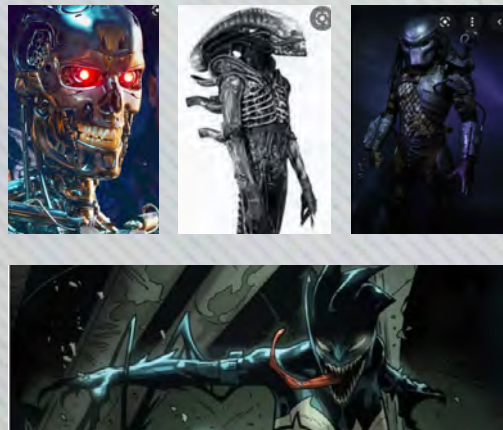

Extended Family

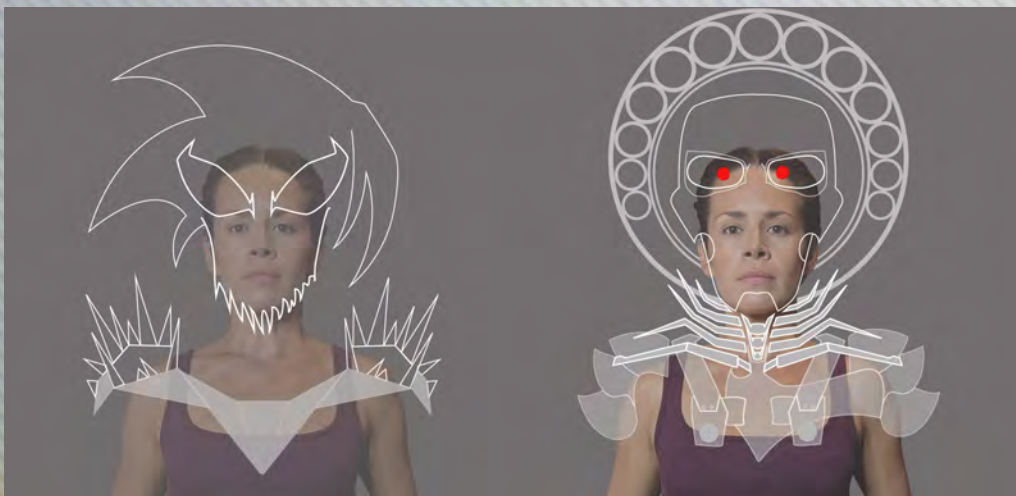

Animation

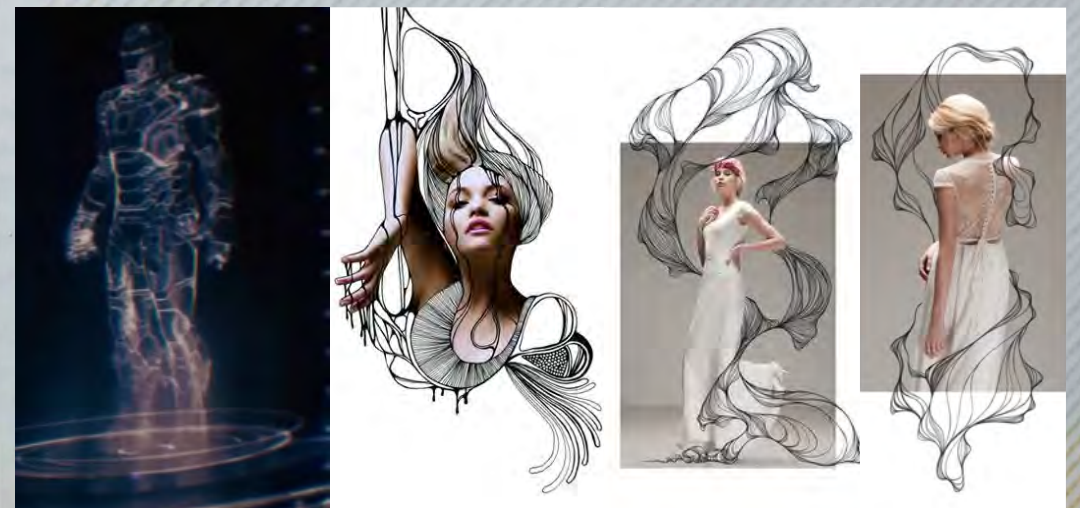

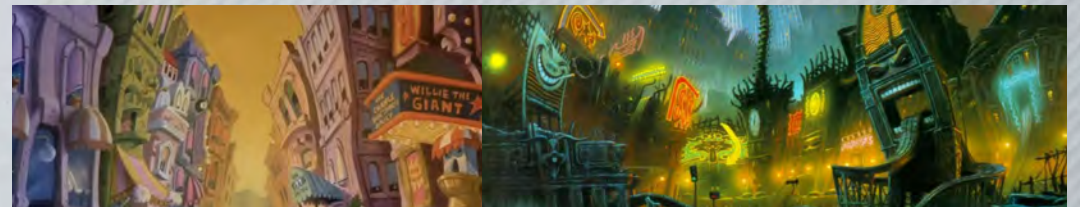

The animation serves as a visual to define each main characters' defense mechanism. In the 4 different points of the Bronson's lives from the 1980's to the early 2000's, their animated self changes with the style of time and how they develop through their lives.

Characters are inspired by film references of the time.

Line quality of digital drawings will vary according to the era. Animation will overlay live action.

Cinematography

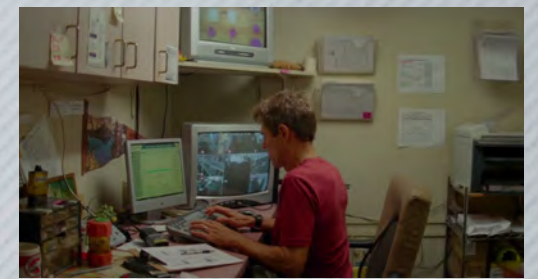

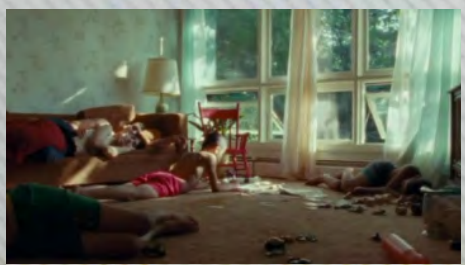

Re-enacted interviews of daughters and mothers sharing stories about one another while at a therapy session will play between time jumps in the Bronson's lives. Similar to the interviews from *When Harry Met Sally*.

Locations

The story takes place in Miami, FL. It begins in the 1980's and goes through to the early 2000's. The Bronson's home will change with each era.
