Dear Moxie Zhang,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Cinematic Arts, Film and Television Production within the School of Cinematic Arts for Spring 2022. Your degree objective is the Master of Fine Arts. Please include your USC ID (4480-9556-53) anytime you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Please review carefully the Continuing Registration Requirements information which lists all the requirements you must meet within your first term(s) of enrollment at the university. These must be met in order to continue in your degree program. Questions about the conditions should be addressed to your academic department or to the Office of Graduate Admission.

We encourage you to review the admitted student portal at gradwelcome.usc.edu, which includes specific information about registration and enrollment. You will also find a link to the portal at you.usc.edu when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

You may also receive a separate welcome letter from your department specifying additional requirements for enrolling in their program.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars and look forward to seeing you on campus!

Sincerely,

Timothy E. Brunold
