

DIRECTED BY JUDA GOLDSTEIN

Find My

2024

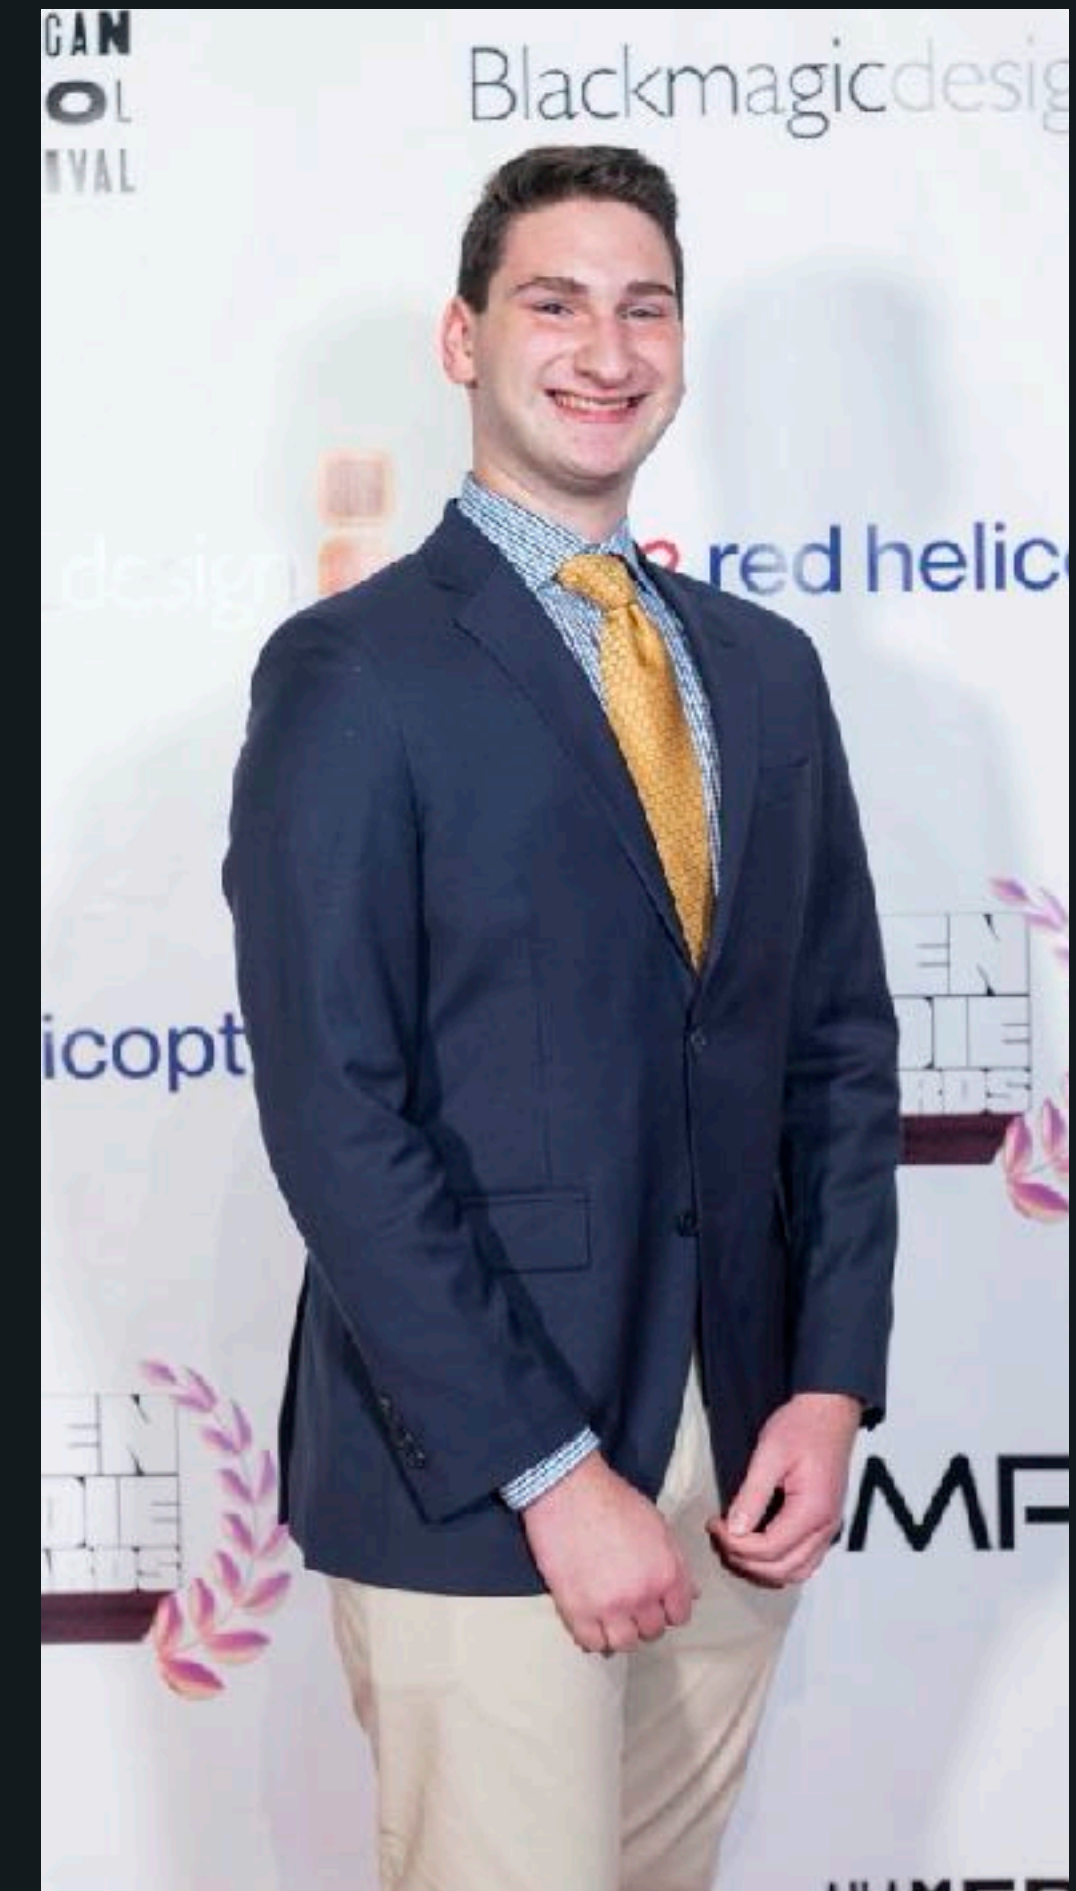

Synopsis

After her MacBook is stolen— with all of her photos on it— Lucy Hartwell pursues the thief the only way she can: tracking the AirTag in her bag using the Find My app. Lucy must track down the thief to recover her photos, facing various challenges along the way.

Director. Producer. Writer. Editor

Juda Goldstein is a junior in high school and a Director/Producer and a Visual Effects Artist from Arnold, Maryland. He has produced several successful films, including "The Hunter," "The Hunter II," and "Find My," all of whom, performed exceptionally well at the Broadneck Film Festival in 2022, 2023, and 2024, respectively. Juda also collaborated with Filmsters on "Fan-Fare," an Official Selection at the Annapolis Film Festival, and "The Hunter II" was an Official Selection for the All-American High School Film Festival. His recent film, "Find My," was awarded Best Overall at the Broadneck Film Festival.

Cast Bio - Iz Taylor (Lucy Hartwell)

Iz Taylor is a current high school junior from Annapolis, Maryland, who has been doing theatre her whole life. Starring as Lucy Hartwell in Juda Goldstein's "Find My" will be her film debut, and one day she hopes to pursue acting as a full-time career.
