To Whom it May Concern,

Thank you very much for considering this film, which was made on my journey with MET Film School Berlin. With a background in theatre, this film was a cornerstone for me. This was where I first truly found my cinematic storytelling muscles.

This piece feels highly dramatized, with a light flair for the fantasy, which I think encapsulates my hopes and dreams as a director.

Creating this piece at an international school allowed me to have a broader view for an old, greek myth. Please take your time and enjoy this short film, featuring my time in being a student director.

Below are the Entire Credits, for easy perusal.

Sincerely,
Madeleine Jones
