

CONCEPT

MOTHER OF GOD!

THE GIRLS

MARY

Mary was not perfection. Sure, she was a nice gal, but she was strong willed and determined to get more out of life than what society had in mind.

ELIZABETH

Elizabeth, Mary's little sister who kisses God's butt in a way that's really too much.

TABITHA

Mary's crazy aunt, who lives vicariously through her nieces.

ANNE

Mary's mother, who is absolutely not cwaaaazy. And understands her place as a woman in society.

THE BOYS

RABBI PHINEAS

Born into his role as Rabbi,, Phineas hates his job, but that's only because he's really bad at it and the town agrees.

EBENEZER

Ebenezer is short, fat and compensating for both. He tries to earn the towns respect while hiding his crush on Lysander.

LYSANDER

Lysander is hot and stupid. He doesn't really know what's going on but he knows how to throw a good party.

HUSBANDS

The Bible does a pretty good job at describing these guys so I don't wanna waste too much space.

A SIT-COM ABOUT

Mother of God! is about Mary's life from the immaculate conception through her experience raising the most famous man in the world. We get to learn about how women were not only present during the most significant biblical events, but actually responsible for them. Yes, Jesus taught the world about forgiveness and love, but who do you think taught him those radical lessons?
