IMAGINE A WORLD

In the early 1950's, scientists began working with subatomic particles. They debated if they could recreate the big bang, and that's exactly what they set out to do. In 1954, the first particle accelerator was turned on. It had the strength to smash together two protons. This resulted in the creation of a wormhole, which connected to a hyper-dimensional reality.

That wormhole opened a doorway for the POSSESSORS, wicked extradimensional beings, with the ability to enter and control the human mind, to cross into our world. They began with the scientists and government officials in the lab, and then spread out to high ranking political figures, the military, law enforcement, even the wealthy and elite, to form a union known as the NEW WORLD ORDER. This group of the rich and powerful minions, secretly work in the shadows, to create a one world government, and achieve complete power over the human race.

EAT THE RICH MYTHOLOGY

EVERYONE IS BORN GOOD: But there are spirits that exist in the world with evil intent (IE murder, greed, hate, depression, etc.), and throughout your life these entities latch on to you, and control how you think and act. This explains why some people are good, some are bad, and some for no reason snap, and commit heinous acts.

WITH PROPER TRAINING: Humans are capable of amazing powers through the use of metaphysical science; transformation of matter, astral projection, dematerializing, teleportation, telepathy, and more.

POSSESSORS ARE NOT BASED ON CEREBRAL OR NERVOUS STRUCTURES THAT WE KNOW : An unstable mass of energy, when inside a human, the person they inhabit glows red, if they are evil, and amber, if they are good. If the host is not aware of their presence, it struggles to remain concealed, which can be seen as an eerie glow that washes over the host (aura) and a rapid flicker, from black to normal, of the host's pupils (the window to the soul).

THE HIDDEN ELECT RULES OUR WORLD, BUT ONE OF THEM WILL FIGHT FOR US.

LOGLINE

EXTRADIMENSIONAL BEINGS HAVE CROSSED INTO OUR WORLD, AND UNITED WITH THE ELITE, TO FORM THE NEW WORLD ORDER, BUT AFTER DISCOVERING HER TRUE NATURE, A WOMAN WILL DECIDE BETWEEN WORLD DOMINATION, AND SAVING THE HUMAN RACE.

SYNOPSIS

As a child from NEW YORK CITY, all Christina knew was fear and loneliness. Kidnapped as a newborn, she spent her adolescence ushered between impostor parents or lost in the system of Government backed institutions. Haunted by wicked apparitions since birth, she was labeled as insane. After a stint in an asylum, where she's fed pills to suppress the visions, she escapes into the night.

Raised in LOS ANGELES, Jory lives a normal life. He's a simple guy, who dreams of a good job, marriage, and settling down. That all changes the day he stands over a murdered friend, a bloody knife in his hand, and no recollection of what happened. He runs from the authorities, and spins down a rabbit hole of conspiracy theories, in search of an answer to what happened that day.

As a young adult, Christina now lives in EAST BERLIN, GERMANY. She's a starving artist, and has run out of pills, with no way to get more. The terrifying visions are back! She confides in her eccentric neighbor, Jory, who introduces her to an open-minded group of people, and an array of new age practices.

But when Christina and Jory determine that the entities are real, they take it upon themselves to find the truth, and discover a world that exists on the fringe of society, and extradimensional beings, which are hell bent on taking over our universe.

Jory will have to face what really happened the day he murdered his friend, and Christina will make the ultimate choice – us or them.

A WORLD IN PERIL, AND ONLY ONE WOMAN HAS THE CHOICE TO SAVE IT.

A portrait of Christina, a young woman with long brown hair, looking directly at the camera. The portrait is framed by a dark, ornate, triangular structure with intricate patterns and a glowing orange eye symbol in the center. The name "CHRISTINA" is written vertically in white, bold, sans-serif font along the left side of the frame.

CHRISTINA

- REPRESENTS THE COMMON PERSON, WHO STRIVES FOR GREATNESS, BUT IS OPPRESSED BY POWERS THEY DON'T KNOW EXIST.
- SHE'S A REBEL WITH A CAUSE; BRAVE, HONEST, AND ABOVE ALL, SMART.
- HER GREATEST ATTRIBUTE IS THE DRIVE TO FIND THE BEAUTY IN THIS WORLD.
- DESCRIPTION: PETITE, BIG EYES, FIT, NATURAL BEAUTY WITH AN EDGE.

Her earliest memory is her reply when asked about her parents... "what are parents?", and adolescence didn't get any better, after that. She was swept under a rug, and hidden from the world. She's remained a bright spirit, with morals, and drive, though she's edgy, with a distaste for others. Through this she develops into a beautiful wilted flower, which only needs the right nurturing to spring back to life.

A portrait of Jory Widner, a young man with long, light-colored hair, looking directly at the camera. The portrait is framed by a dark, ornate, triangular structure with intricate patterns and a glowing orange eye symbol in the center. The name "JORY WIDNER" is written vertically in white, bold, sans-serif font along the left side of the frame.

JORY WIDNER

- REPRESENTS THE IDEA OF THE ECCENTRIC PERSON, WHO KNOWS THERE IS SOMETHING GOING ON IN THE BIGGER PICTURE, AND WANTS TO PROVE IT, SO THEY CAN RETURN TO NORMALITY.
- HE IS ECCENTRIC, OUTGOING, WITH A PERSONALITY YOU HATE TO LOVE.
- HIS GREATEST ATTRIBUTE IS HIS UNWAVERING DEDICATION TO HIS PASSIONS.
- DESCRIPTION: HANDSOME WITH UNIQUE FEATURES, NERDY, TYPICAL CONSPIRACY WEIRDO.

Growing up in a normal household, Jory had typical dreams; become an investigative journalist, get married, and have kids. But after a horrific event, his path would forever be altered. He transitions into a conspiracy theorist, who yearns for love and a normal life, but cannot achieve it, until he proves what's really going on.

A central figure, a person with long hair, is shown from behind, standing in a dark, atmospheric setting. The figure is illuminated from behind, creating a glowing silhouette. The background is dark with a large, glowing orange eye symbol in the center, surrounded by a hand-like shape. The text "EAT THE RICH MAIN PROTAGONISTS" is written in white, bold, sans-serif font at the bottom of the image.

THE UNKNOWN MAN

- REPRESENTS THE IDEA OF THE EVIL MAN IN CHARGE, WHO YEARNS FOR POWER AND CONTROL, NO MATTER WHAT THE EXPENSE.
- HE IS EGOTISTICAL, POWER HUNGRY, AND HAS NO EMPATHY.
- HIS GREATEST ATTRIBUTE IS PURE AMBITION, THAT LETS NOTHING GET IN HIS WAY.

He had dreams of being a legend, for as long as he can remember. His drive, and ruthless tactics, led him to the top in his field. He chose the military, because he thought he could change the world for the better, but when he tasted power, his ambitions changed. When he came upon the chance to rule the world, he didn't even think twice.

POSSESSORS

- REPRESENTS EGO.
- THEY ARE EVIL INCARNATE.
- THEIR GREATEST ATTRIBUTE IS THE ABILITY TO PRESENT THEMSELVES AS NORMAL HUMAN BEINGS.

They are predatory, cunning, and deceptive about their machinations against the human race. Their only drive in existence is power and consumption. Their ultimate goal is to take over our world and enslave the human race. With the ruthlessness of a greedy business tycoon, there are no morals or values involved in their decision making, and their sole focus is gratifying their own ambitions, which in this case, is domination.

PLOT

Christina is the only person who can see evil extradimensional entities, and discovers they are hell bent on taking over our world. After discovering she is possessed by one, and meeting the love of her life, she will be forced to make the decision to join them, or save our species from enslavement.

SUBPLOTS

Jory snaps out of a daze, to find his friend has been murdered, and he holds the bloody knife. He runs from the law, and takes it upon himself to find out what really happened. He meets the love of his life, only to find that she is not who, or what, he thinks she is, after he discovers the truth of what really transpired at the murder.

Evil extradimensional entities have entered our universe. They possessed the elite and powerful members of the world. There's only one thing that can stop them. A legend exists, that tells of one that will come against the rest, and bring to an end the world of power, greed, and oppression, which they strive for. After discovering that the legend is true, they will stop at nothing to keep their control.
