

A man with a beard and dark hair, wearing a white shawl over a light-colored shirt, is shown in profile, looking down at a black DSLR camera he is holding with both hands. He is standing in a desolate, arid landscape with dry earth and some sparse vegetation in the background. The overall tone is somber and contemplative.

Ghat. But the use of mobile phones – and the awkward marriage of technology and tradition – means that Sooraj's services are no longer an indispensable part of the mortality business. It is after all the only custom that's rooted in documentation, not deliverance. Unlike upper-caste priests and lower-caste cremation workers, photographers are restricted by the agnosticism of their role. Spiritually at least, anyone is 'qualified' to click a button. His

First Take | Barah x Barah, Eeb Allay Ooo, and Mail: Three sidelined masterpieces on living life on the fringes

In an era when soggy sagas stretch themselves lazily into 10 episodes of 10 hours for no reason except an extravagant budget, it feels good to see filmmakers counting their pennies. Corruption comes with affluence.

Barah By Barah: A Masterly Melancholic Meditation On Mortality

Barah By Barah delves deep into themes of mortality, offering a masterful and melancholic portrayal of life's transient nature. Continue reading to find out more!
