Thank you, Rowen Smith

We as the Management of *House of Hope Community Life Development* would like to express our sincere gratitude towards you for your generosity and involvement.

Thank you for your amazing work done on the video for House of Hope. We appreciate all the hours and hard work put into making it for us. You truly captured the heart of our organisation.

Thank you for your interest in our organisation. Your much-needed support enables us to continue making a positive impact and change in these children's lives. Together we can work towards the restoration and healing of our community one child at a time.

We pray that you will reap all that you have sown into our Program.

May you be richly blessed!

Thank you! /Baie dankie

“Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around.” - Leo Buscaglia —

We thank you for being a caring person.
