

LUIS MCDUGAL

As an artist, I aim to challenge audiences to experience the multitude of ways music can make one confront any preconceived conceptions of society, culture, and sociopolitical ideologies. I desire to showcase just how important it is to keep one's eyes open to the possibilities and intricacies that come with the human experience. Either through lyrical composition or through the strokes of guitar strings, I create with the motifs of exploration, evolution, and varied realities in mind.

COMMUNITY

- **The Institute for Music Evolution (I.M.E.)**
Founder and President
A nonprofit organization geared towards facilitating a culture that values critical artistic thinking, community bonding, and mutual development. The organization aims to expand audiences' perception of music by questioning and challenging traditional approaches to art. Through public concerts, festivals, lessons, and local volunteering, I.M.E. strives for positive transformations for both artist and audience member.
