

ONE WHO WATCHES

One Who Watches

A film by: Komeil Soheili

A desperate man turns to an AI chatbot to seek help, but when he mentions a potential murder, their conversation spirals into a chilling game of cat and mouse, revealing a sinister threat lurking nearby.

Who lies
doesn't
matter, **Who**
tells it better
does!

Director's statement

This movie made by me or not? How much I involved in it as a creator? Was I the smart one or the dumb? This film is a deeply personal exploration of the search for meaning in a world increasingly shaped by artificial intelligence.
