# Wilson man dies in single-vehicle wreck

By Drew C. Wilson  
dwilson@wilsontimes.com | 252-265-7818

The North Carolina Highway Patrol said Wednesday that speed was a factor in a single-vehicle crash Sunday that left a Wilson man dead.

First Sgt. G.S. Hemby said the collision occurred about 6:14 p.m. on N.C. 58 in the vicinity of Lakehaven Court.

Hemby said Steve Harlie Broadwell, 71, was

driving a 2006 Dodge pickup truck south toward Wilson when the vehicle ran off the road to the right and struck a utility pole.

"After striking the utility pole, the vehicle continued through a private yard and struck several small trees before coming to rest," Hemby said.

Broadwell was taken to Wilson Medical Center where he was pronounced deceased, Hemby said.

"Speed was involved,

but no signs of impairment or anything like that," Hemby said. "On the collision report, it has an estimate of 70 mph. The speed limit was 50 mph."

Hemby said Broadwell was the only occupant and was wearing his seat belt.

Broadwell is the father of Havelock Police Chief Mike Broadwell, Hemby said.

According to Broadwell's obituary from Wilson Memorial Service, he had been a manager of several Hardee's restaurants for 25 years, a food services director for SouthCo Distributing Co. for 20 years and a food distribution manager for Jernigan Oil and Duck Thru Convenience Stores, working throughout North Carolina and Virginia for 10 years.

# Movie 'Release' premieres here Friday

By Lisa Boykin Batts  
lisa@wilsontimes.com | 252-265-7810

Wilson audiences can see the premiere of a Wilson woman's movie Friday night at the Edna Boykin Cultural Center.

"Release" features Tawanda Auston of Wilson, who received the Best Actress award for the film at the Marbella International Film Festival in Spain.

The movie was filmed in Wilson and centers around a group of adults who attend a weekend retreat.

Auston plays the main character, Jessica, an event planner going through marital problems.

Auston is the owner of Five Touch Productions and Five Touch Spa & Salon in Wilson. In addition to writing and producing the movie, she also operates the salon, focusing on massage.

According to the movie's website, "The retreat, which is supposed to be a time of calm and relaxation, results in some drama that unfolds, which ends up changing their lives."

Auston said the each

person on the retreat has his own story, and the stories are entwined as participants learn more about themselves.

"If you go within, you will never go without," she said. "My goal for the movie is for anyone looking at it to be able to go within and find something that they can release."

Although the movie doesn't have a rating yet, Auston considers it as an R-rated film.

"Release" was inspired by Auston's book, "It Goes Deeper Than the Muscle." It was filmed in a variety of spots around Wilson including Auston's home and

business, Casita Brewing Co., local residences, Eastern Carolina Chiropractic, Lucas Insurance Group and Hampton Inn.

Wilson Arts and the Wilson Tourism Authority are sponsors of Friday night's program.

The movie starts at 7 p.m. Doors open at 6 p.m. for red carpet photos.

Tickets for Friday night's show can be purchased by going to [www.therelease-movie.com](http://www.therelease-movie.com).

Auston expects the movie to be released this summer. She is dealing with the distribution process now to iron out details of where it will be shown.

## SWEETER THAN HONEY

Oh, how many of us love sweets! Birthdays bring cakes frosted with clouds of icing; holidays have their special sweet treats. Of course, sometimes we enjoy them too much and pay weighty consequences.... In Psalm 119:103 we read, "How sweet are your words to my taste, sweeter than honey to my mouth!" Don't pass up on the richness of God's love and the sweetness of His peace. Indulge your spirit in God's house of worship. Faith in Him will satisfy you without any side effects!
